- Build positive youth and Police partnerships.

Why camps?

Research has shown activity based education is an ideal vehicle to develop young people.

Taking young people away from the distractions of everyday life has proven to be extremely effective in teaching them ways to improve and improve and manage their lives moving forward.

Leadership involves:

1. Establishing a clear vision.
2. Sharing that vision with others so that they follow willingly.
3. Providing the information, knowledge and methods to realise that vision.
4. Coordinating and balancing the conflicting interest of all members and stakeholders.

"My 17 year old son was leaving school, unsure what he wanted to do. He attended the Blue Light course in which he excelled. This programme helped him focus and gave him a clear direction for his career and subsequent future"
