Introduction

Blue Light is a registered charity. We have run programmes and activities, free from drugs, alcohol and violence for young people for over 40 years. We work in partnership with the NZ Police and local communities to empower youth.

The aims of Blue Light are to:

- Reduce youth crime
- Build community partnerships
- Build young people's self-esteem
- Enhance community safety
- Build positive youth and Police partnerships.

Programme Overview

The leadership voyage is designed to focus on giving young people the opportunity to experience life on the water. The voyage will focus on developing leadership skills, sailing skills, environmental learning, and teamwork. Young people will spend four nights onboard.

Blue Light holds two Leadership Voyages annually onboard super yachts Lion NZ or Steinlager 2.

Why Voyages?

Research has shown activity based education is an ideal vehicle to develop young people.

Taking young people away from distractions of everyday life has proven to be extremely effective in teaching them ways to improve and manage their lives moving forward.

Participants Message

"The day we boarded Lion NZ the weather was very light, but I heavily enjoyed getting the sails up and seeing the sails set for the first time. It was a once in a lifetime opportunity and I thank you for letting me experience it."

Participant's Criteria

The leadership Voyages are open to all 14 to 18 year olds. Participants must be healthy and fit as some activities are physically demanding. However, you do not require prior sailing experience.

The programme would ideally suit young people showing leadership qualities or who desire to grow their leadership skills. Leadership skills include team involvement, being confident amongst peers and groups of people, being able to communicate and being open to new ideas. Leadership voyages are designed to empower today's youth to connect positively impact with their communities.

What to Expect Onboard

On your five day journey you'll have the opportunity to be part of a team working and bunking aboard a super yacht, including put into practice reading the weather, planning the destination, and taking part in all the roles required to sail the boat. You'll explore islands in the Hauraki Gulf, understand their unique history, and the important environmental role they play.

How to Apply

Fill in the application attached, and send through to: programmes@bluelight.co.nz

Feel free to contact us if you have any questions.
