Introduction

Blue Light is a registered charity. We have run programmes and activities, free from drugs, alcohol, and violence for young people for over 40 years. We work in partnership with the NZ Police and local communities to empower youth.

The aims of Blue Light are to:

- Reduce youth crime.
- Build community partnerships.
- Build young people's self-esteem.
- Enhance community safety.
- Build positive youth and Police partnerships.

Programme Overview

The programme will centre on a weeklong residential camp covering several aspects of leadership training. This will include confidence building, teamwork, communication, physical activity, and coordination.

Participants can earn up to 15 level one and two NCEA credits on this programme.

Why Camps?

Research has shown activity-based education is an ideal vehicle to develop young people.

Taking young people away from distractions of everyday life has proven to be extremely effective in teaching them ways to improve and manage their lives moving forward.

Parent Feedback

"My 17-year-old son was leaving school, unsure what he wanted to do. He attended the Blue Light course in which he excelled. This programme helped him focus and gave him a clear direction for his career and subsequent future".

Participant's Criteria

The 100-person leadership camp is open to all year 10 and 11 students. Participants must be healthy and fit as some activities are physically demanding.

The programme would ideally suit young people showing leadership qualities like team involvement, being confident amongst peers and groups of people, being able to communicate and open to ideas.

Leadership camps are designed to empower today's youth to leave a positive impact on their community. Through this 100-person leadership camp the young people will be provided with the tools to be more self-confident and set achievable goals for their future.
